our crowdfunding campaign!

Perfect  
Everytime.

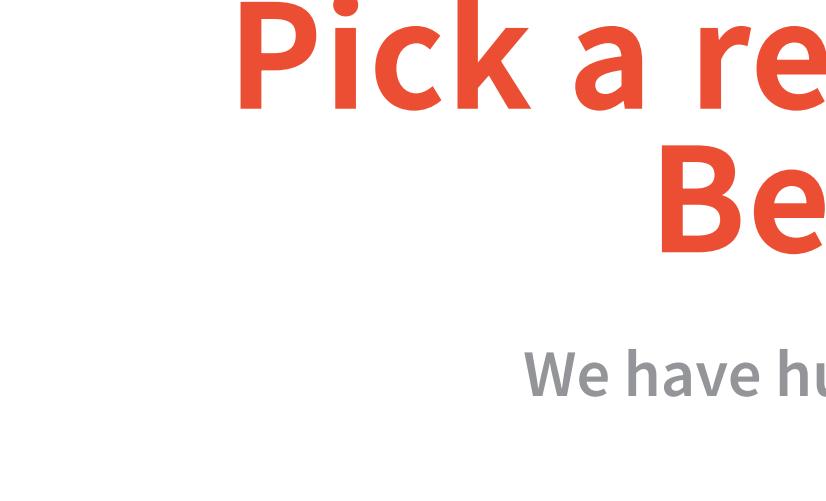

No more  
overcooking.

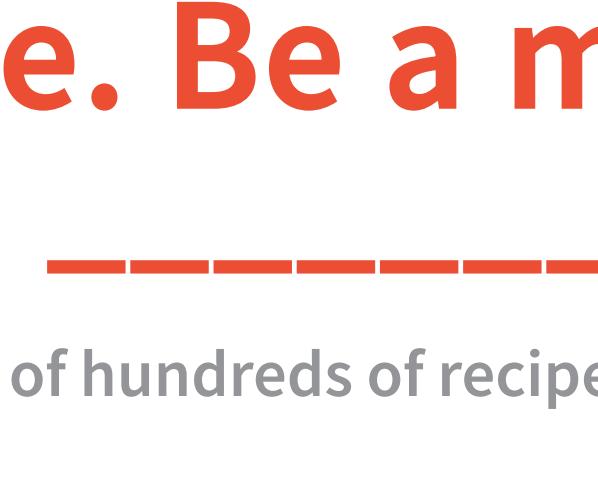

Vulcan heats to the perfect temperature—no more, no less—which means that your proteins won’t overcook, ever. Even if they cook for extra time.

Save  
your time.

Vulcan heats to the perfect temperature—no more, no less—which means that your proteins won’t overcook, ever. Even if they cook for extra time.

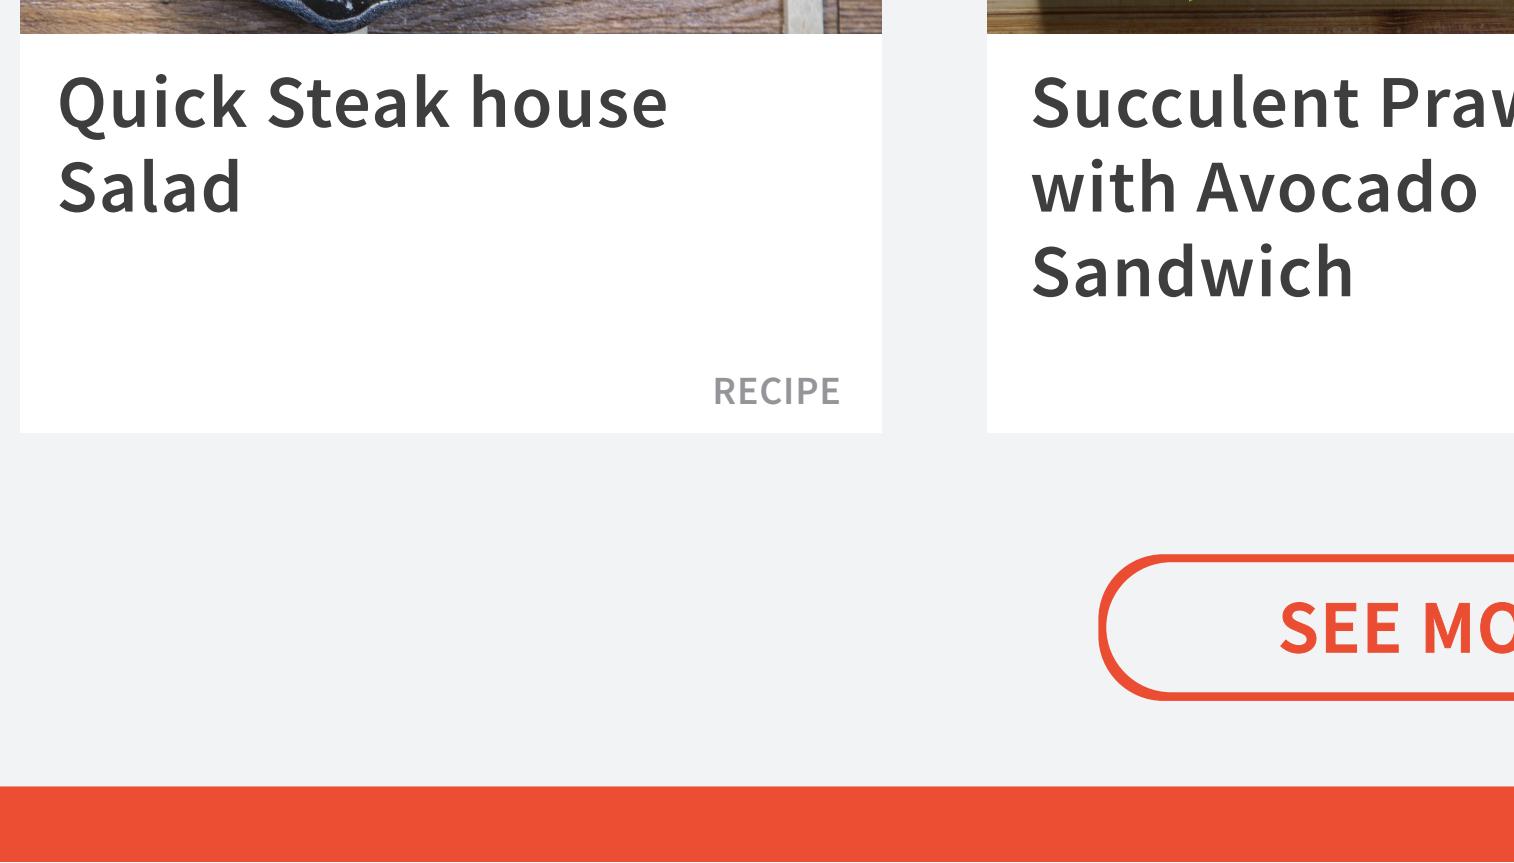

Season & bag food.  
Drop it in water.

Open Cookery App.  
Pick your favorite recipe.

Enjoy your food.  
Bon appétit!

Upgrade to  
smart kitchen.

Make your traditional appliances awesome.
