Be the first to learn about  
our crowdfunding campaign!

Perfect  
Every time.

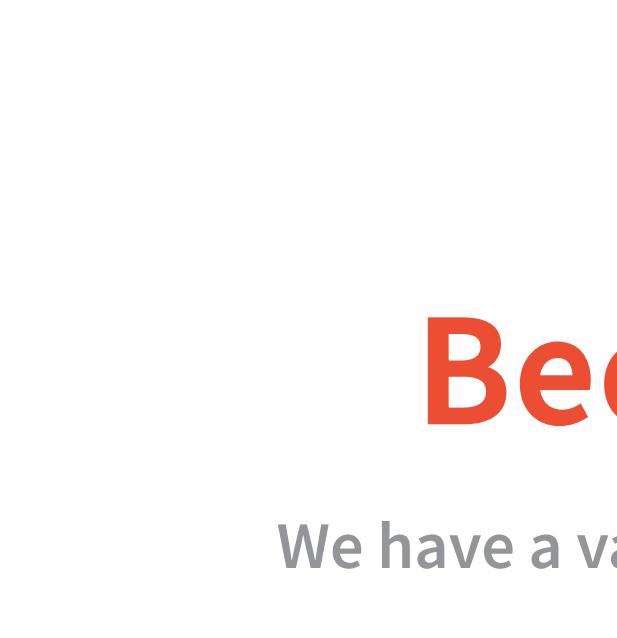

No more  
overcooking.

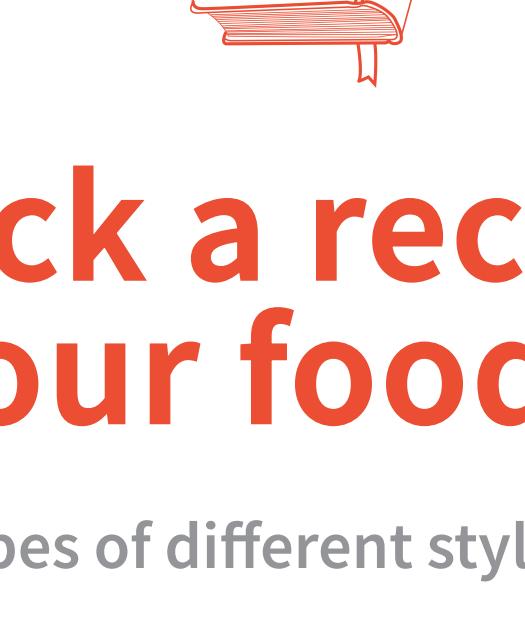

Vulcan controls the precise temperature and time, which means any of your dish won't overcook, ever.

Be flexible  
on time.

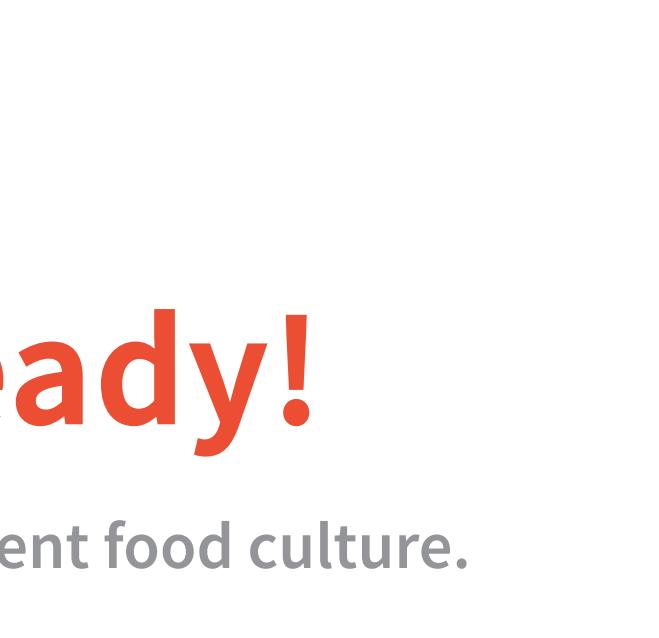

Press go and leave it. We will let you know when your food is done, no matter what you are doing or where you are.

Season & bag food.  
Drop it in water.

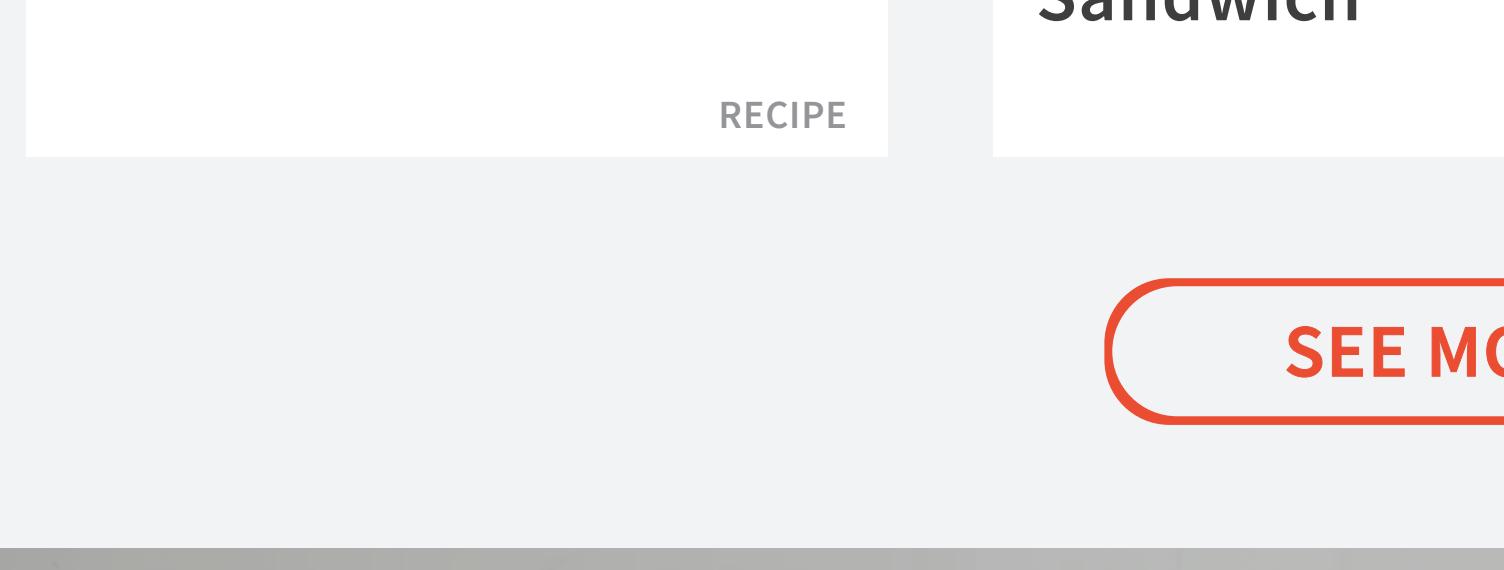

Open Cookery App.  
Pick your favorite recipe.

Enjoy your food.  
Bon appétit!

Upgrade to  
smart kitchen.

Vulcan connects to different kind of appliances, such as slow cooker, rice cooker and toaster oven. Make your kitchen appliances awesome.
